

DINE-IN RULES & SAFETY PROCEDURES

We will be limiting contact as much as possible, so you will notice some changes to our service, such as:

Your food will be placed at the end of the table to prevent reaching into your space.

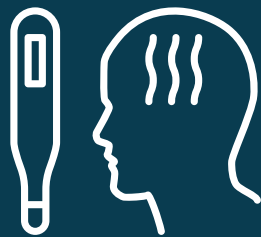

Your plates and glasses will not be cleared until you leave the table, unless requested.

Servers will not be checking on your experience as often as normal.

Staff members with Red aprons will not come in contact with you.

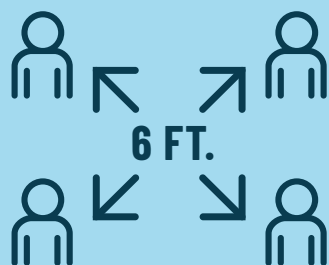

Do not enter if you have a fever or any flu-like symptoms

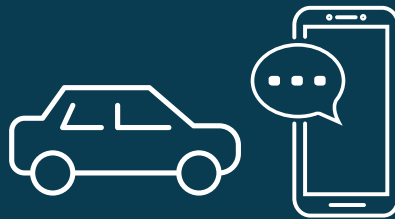

Wear a face covering any time you are not sat at your table

All members of your party must be present in order to be seated.

Keep 6 feet from people not in your party

Wait in the parking lot or in your car for your table. We will text you when your table is ready.

Our tables are reserved for dining; we cannot serve drinks without a meal.

If you are concerned or see something you think may be dangerous, please report it to a staff member right away.

The Half Moon Bay Brewing Company has been a committed part of this community for 20 years and keeping all of our staff, customers, and neighbors safe is our top priority. To do this effectively we need help from you, our customers.

By following these instructions you are allowing us to stay open. Thank you for your understanding and cooperation.
